Chancellor Commander's Message

Wow! It is May already. Maybe now the
weather will warm up, and we can enjoy the
wonderful outdoors of Northern Westchester.
The flowers are blooming, the grass is green

and we can relax. For years we looked
forward to the lazy hazy days of summer.
Now most of us are retired and have
stopped working at a job.

As you know I am still working but less
than in years past so this is my slow
season.

For the Knights of Pythias we enter our
busy season. The leadership terms are
ending, and new officers are about to be
elected. For many lodges they will not be

new faces. We have honor nights for those who are completing their terms. Nominations and elections and in June installation ceremonies.

This is the Humanitarian Fund's time for fundraising. The brunch is May 3, the Grand Chancellors dinner on June 14 and the GL Convention June 29 & 30,

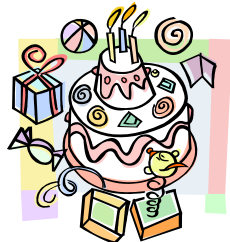

More importantly for members of Yorktown Lodge is our year end events. May 13 is second nominations and election of officers. If you are interested in serving let us know. Contact me or Don Thorn. Installation of officers, scholarship night and the award of the David Peltzer recipient will be on June 3 at our Castle Hall.

As our membership ages we are doing things differently. Earlier meetings. More dinner meetings. In April we had a couple's night out and will do more of these.

Please come out on May 13 or June 3 and help us celebrate the end of this year and the start of next.

Did you know that:

There are more Catholic churches in Las Vegas than casinos. Many worshipers drop chips from the casinos in the collection basket. There are numerous casinos so the churches pool their chips and send them to members of the Franciscan monastery, who sort them and cash them at the casinos of origin.

This is done by the chip monks.
